Notes & Observations

213, 441 IR — Imperial Archive — Initial Record

Entity: Asmodeus. Stewardship: Lust

Entity Record: 7

A new Steward manifested within the Infernal Realm this day. Stewardship identified as Lust. Entity identifies himself as Asmodeus.

Authority confirmed as originating with the Stewardship and recognized by the Infernal Crown. Asmodeus is henceforth recognized as Prince of Hell and brother to the Emperor.

Recognition was immediate. He is the third of this cycle and the youngest of my brothers.

— Lucifer

213,442 IR — Imperial Decree

Territory south of the Imperial District, bounded by the South River, granted to Asmodeus for establishment of his Domain. Sovereign authority within said territory recognized by the Infernal Crown.

Residence and administrative seat to be established at the Prince's discretion.

He has many opinions regarding the residence.

213,489 IR — Imperial Decree

Asmodeus, Prince of Lust, appointed King of Demons and granted command of the Infernal Legions.

All commanders, officers, and forces of the Legions shall henceforth answer to him, subject only to the Imperial Crown. Authority extends across all Courts and Domains of the Infernal Realm.

In recognition of the requirements of the Infernal Legions, the Southern Court beyond the Imperial District is ceded to the governance of Asmodeus. Existing boundaries of the Prince's Domain are hereby extended accordingly. The Imperial District and its approaches remain under authority of the Crown.

Notes & Observations, cont.

12 December 2019 — Paris, France

Subject observed attending multiple private events associated with the fashion industry. No supernatural activity detected.

Analyst note: Despite previous requests, attendance at Paris Fashion Week is not considered evidence of infernal activity.

31 December 2019 — New York, NY

Subject present during New Year's Eve celebrations. No incidents requiring IA intervention. Three minor complaints received. All subsequently withdrawn.

17 March 2020 — Location unknown

Significant reduction in subject's documented Mortal Realm activity coinciding with widespread closures and travel restrictions.

04 April 2020 — Infernal Realm

Subject believed to have returned to Hell for an extended period.

Analyst note: This is the longest voluntarily sustained absence from the Mortal Realm recorded since 

22 May 2020 — Internal Memorandum

No confirmed Mortal Realm appearances in sixty-three days. No associated increase in infernal disturbances detected.

Recommendation: Stop asking whether he is "up to something." He appears to be complying with quarantine.

11 July 2020 — Paris, France

Subject observed in Mortal Realm for first confirmed appearance since March. Purpose of visit determined to be personal. No intervention required.

IA-ER-7 

Notes & Observations, cont.

31 October 2020 — Boston, MA

Unusual infernal signature detected within Greater Boston. Initial classification inconclusive. Subsequent analysis indicates possible activity involving Subject. Investigation pending.

09 November 2020 — Boston, MA

Subject confirmed within Greater Boston area. Duration of stay exceeds established behavioral patterns. No corresponding increase in lust-related manifestations or demonic activity observed.

18 November 2020 — Boston, MA

Subject continues to maintain an unusually localized Mortal Realm presence. Multiple appearances documented in proximity to [REDACTED]. Motivation unknown.

22 November 2020 — Analyst Observation

Subject's behavioral patterns have changed substantially since arrival in Boston. No evidence currently suggests hostile intent.

01 December 2020 — Boston, MA

Multiple significant magical/demonic disturbances recorded. Subject confirmed involved. See Incident Report IA-IR-5739.5248.3664.8092.

19 December 2020 — STATUS UPDATE

Subject's actions during incident at Boston Common demonstrate significant deviation from established behavioral profile. Previous threat assessment under review. Further observation recommended.
